

Dear Woolger,

Unfortunately Wilkeson & I have both
managed to go on leave just this moment when you are coming
back. I expect you can keep yourself fairly busy though.

You could

- 1) Do ROOT, OUTPUT
- 2) Try and help other people in Division doing their
jobs. Bring Boss up to date. He has missed several

lectures

- 3) Read the folder
- 4) Read some good books
- 5) Relax

I hope you really are all right. It is a shame to have you
come back and find the place deserted. You might be

wish to have envelope for a week

Yours

Alan Turing
